If your children have a passion for the environment and love learning about animals, this is the day camp for them. All of our day camps include lots of fun and interesting facts about the animals at the Greater Vancouver Zoo. They also comprise of craft activities, games, interaction with some of our animals and/or animal care staff members; and a tour of the Zoo on our Safari Express Miniature Train. All our spring break camps are age appropriate and supervised by the suitable number of qualified staff members.
