

Step into the Wild at the Greater Vancouver Zoo

2012 ZooQuest Pro-D Day Camps

If your child has a passion for the environment and loves learning about animals, this is the day camp for them!

The UN has declared 2010-2020 the *Decade of Biodiversity*. We invite students **aged 7-12** to join us as we discover many interesting facts about wildlife and environmental issues.

Each student will learn lots of fun and interesting facts about the animals at the Greater Vancouver Zoo. During the camp, they will have a chance to interact with some of our animals and/or animal care staff members.

Dates:

Friday, January 20th (Maple Ridge/Pitt Meadows School District)

Friday, January 27th (Abbotsford School District)

Friday, February 10th (Surrey School District)

Friday, February 17th (Abbotsford, Langley, and Mission School Districts)

These are the dates, according to the district web sites, that the students will be off school due to professional development days. Please confirm the dates with your child's teacher. If your district has a Pro-D day that is not on the list, please let us know and we will do our best to accommodate it.

Please see the checklist on the registration form and select the appropriate boxes.

The camp runs from 9:00am to 4:00pm.

** All our Jr. Zoologist Camps are age appropriate and supervised by the appropriate number of qualified staff members and volunteers.*

Cost: \$45 per day for zoo members, \$50 per day for non-members
