

Teacher's Professional Development Day

Friday, October 21, 2011

9:00am – 12:00pm

Free admission for educators

You will be introduced to our great new program called “Quarters for Conservation” which supports exciting field conservation projects from around the globe, plus many other educational programs. Information provided will be closely linked to the Ministry of Education Learning Outcomes for all grade levels.

To register, please return this completed form to the education department no later than Friday, October 14. It can be faxed to 604.856.6857, emailed to edu@gvzoo.com, or call 604.856.6825 ext. 26 or 28 to register.

This professional event is for teachers, teachers-on-call, pre-service teachers and activity or program coordinators only.

***guests and children are discouraged from attending*
