The **Adopt an Animal** program was introduced to support the Zoo's care and services for all our animals by providing food, medical care, equipment, enrichment and continual improvements to their enclosures.

**Adopt an Animal** makes a unique gift for any animal lover that wants to help us continue taking good care of our animals, protect the endangered species and pursue on-going conservation efforts.

\*\*\*Note: Any adoptions requested after December 15th can not be guaranteed to arrive by Christmas if sent by post. However adoption packages will be available by pick up until December 22nd.

The adoption packages can be customized for any special occasion as well! Our animals are looking for you to be their new parent, so all you need to do is choose your animal, select the package and we'll do the rest!

Animals available for adoption are: bear, cheetah, giraffe, hippopotamus, lion, lemur, monkey, tiger, and zebra. Other animals are also adoptable but 2-4 weeks must be allowed to process.

For more information, please contact: [egress@gvzoo.com](mailto:egress@gvzoo.com) or 604.856.6825 ext. 25.

Please see following page for Adopt an animal form.
